Expectations for IGF Ambassadors

Before the Forum

- ▶ Prepare, with the aid of mentors, in advance of the IGF meeting
- ▶ Complete the prerequisite online learning 3-4 modules from the Internet Society course:
 - ▶ “Shaping the Internet: History and Futures”
<https://www.internetsociety.org/what-we-do/inforum-learn-online/inforum-course-shaping-internet-history-and-futures>
- ▶ Participate in the planning and preparatory activities for the IGF meeting
 - ▶ Supporting the planning of IGF workshops that are being organized by ISOC staff.
 - ▶ Conducting audio and/or video interviews.
 - ▶ Attending conference calls related to ISOC or ISOC partner events.

Expectations for IGF Ambassadors

During the Forum

- ▶ Participate broadly in the IGF meeting agenda.
- ▶ Attend daily status and planning meetings.
- ▶ Contribute to the Internet Society IGF Ambassadors' blog.
- ▶ Represent the Internet Society by helping to staff the Internet Society booth at the venue.
- ▶ Attend and provide support or ISOC staff and ISOC partner workshops.

Expectations for IGF Ambassadors

After the Forum

- ▶ **Share the experience and knowledge gained at the IGF with their local communities when they return home.** This can be done by
 - ▶ making a presentation at a relevant professional, academic, or technical meeting,
 - ▶ speaking at an association meeting or local Internet Society chapter event,
 - ▶ writing an article for a relevant local publication, etc.
- ▶ Engage with their local Internet governance events/dialogues or serve as a catalyst for starting the process in their countries or regions
